

Legal Action

The administrative office of School Risk and Insurance Management Group (SRIMG) has been designated as the place for service of all legal action against SRIMG. The President and the Treasurer of the Board and the Executive Director are designated as the agents for service. The Executive Director shall file the appropriate documents (pursuant to California Government Code Section 53051) with the Secretary of State and County Clerk.

The Executive Committee shall designate counsel for the handling of claims matters as needed. The Executive Director, with the approval of the Executive Committee, has the responsibility of assigning other matters to appropriate counsel.
