

Workers' Compensation Penalties

Workers' Compensation legislation imposes penalties for failure to comply with certain required procedures. A summary of these penalties is included with this policy.

Penalties which are the result of errors on the part of School Risk and Insurance Management Group's (SRIMG) claims administrator shall be paid by the administrator. Language to this affect shall be included in the administration contract.

Penalties which are the result of errors on the part of SRIMG staff shall be paid out of the Workers' Compensation Pool.

Penalties that are the result of errors on the part of the staff of a member agency shall be paid by the member agency.

All penalties assessed under this legislation shall be reported to the Executive Committee in a timely manner.
