

NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE
OF THE SCHOOLS RISK AND INSURANCE MANAGEMENT GROUP

NOTICE IS HEREBY GIVEN that the **Schools Risk and Insurance Management Group (SRIMG)** pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict of interest code. A comment period has been established commencing on September 25, 2017, and closing on November 15, 2017. All inquiries should be directed to the contact listed below.

The SRIMG proposes to amend its conflict of interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict of interest code include: **amending the disclosure categories to be compliant with Government Code 87200 (Joint Powers Board Representatives and Alternates, Executive Director, and Chief Financial Officer are subject to full disclosure); Consultants and other employee positions are subject to disclosure as determined by the Executive Director according to current compliance regulations; FPPC will become the Filing Officer with responsibility to track, review disclosure filings and notify delinquent filers;** and also makes other non-substantive technical changes.

Information on the code amendment is available on the agency's intranet site and/or attached to this email.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than November 15, 2017, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than October 30, 2017.

The SRIMG, in collaboration with legal counsel, has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to:
