
Conflict of Interest Code Schools Risk and Insurance Management Group

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730), which contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code for the Schools Risk and Insurance Management Group ("SRIMG").

Officials and employees holding positions listed in this code must file their statements of economic interests electronically with the **Fair Political Practices Commission**. All statements must be made available for public inspection and reproduction under Government Code Section 81008.

Such written determination shall include a description of the consultant's or new position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Executive Director's determination is public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.
